

Early Growth Financial Services (EGFS) Earns Spot on The 2015 Inc. 5000 List

National outsourced financial services firm earns its spot on the Inc. 500/5000 fastest-growing private company award for the second year.

San Jose, CA ([PRWEB](#)) August 20, 2015 -- For the second year in a row, Early Growth Financial Services (EGFS) has placed on the Inc. 5000 list for fastest growing private companies. EGFS is an outsourced financial services firm that provides accounting, CFO, strategic finance, tax, and valuation services to small to mid-sized businesses nationwide. This year, EGFS earned a ranking of #1003 and the #13 spot in the San Jose Metro Area where the company is headquartered. Last year, in 2014, EGFS ranked #797 nationally, and #13 in the San Jose Metro Area.

EGFS is one of 652 California based companies that made the 2015 list as a result of its tremendous growth. Over the last 3 years, EGFS has seen a growth rate of 436%. And in 2014 alone, EGFS hired 90 employees to support the EGFS mission of providing the services and support small businesses need so that they can stop spending their time on the administrative burdens of running a company and focus on their core business instead.

“What an honor it is to be recognized alongside the other fantastic companies on the Inc. 500/5000 -- some of whom we are proud to call our clients!” said David Ehrenberg, Founder and CEO of EGFS. “Since I founded EGFS in 2008, we’ve been inspired by the companies we serve and driven to provide them with the quality support they need to build successful businesses.”

“I’m so proud of what we’ve accomplished as a team here at EGFS. We continually strive to do the best work we can -- as we help our clients to do the best work they can!”
